

Table 1: List of courses with pre-enrolment medical or colour vision test requirements (From Academic Year 2025 onwards)

JAE Code	Course	Test Required	Medical Requirements
R33	Outdoor Education	Medical Examination	Applicants should ensure that they do not have the medical conditions below. Those who do not satisfy this requirement may further be assessed on a case-by-case basis to determine their suitability. • Asthma / Respiratory Illnesses • Attention Deficit/Hyperactive Disorder (ADD/ADHD)/ Autism Spectrum Disorder (ASD) / Asperger's Syndrome • Blind or Visually Impaired • Blood Disorders • Chronic Skin Disorder • Deaf or Hearing Impaired • Epilepsy/Fits • Heart Problems • High Blood Pressure • Physical / Motor Disabilities • Schizophrenia • Tourette Syndrome • Obesity (more than 120kg)
R40	Aerospace Engineering	Colour Vision Test	Applicants with colour vision deficiency may encounter difficulties meeting the course requirements and expectations. Applicants with colour vision deficiency may further be assessed on a case-by-case basis to determine their suitability.

Important notes for students undergoing medical check-up or colour vision test:

- The Medical/Colour Vision tests are only applicable to students who have been offered the above courses in Table 1.
- The RP Medical Form and Colour Vision Test Form can be downloaded from Step 4 of the Enrolment Portal. The form must be endorsed by a registered medical practitioner in Singapore.
